**Regulations**  
**open online world championship**  
**in military sports all-around competitions, section "Combined martial",**  
**B-5 version (self-defense technique demonstration),**  
**B-6 version (demonstration of formal technical complexes, "KATA")**

**1. Aims and Problems:**

Open online world championship in military sports all-around competitions (hereinafter - the championship) activates the development of military sports all-around competitions in the World.

The aims of the competition are:

- popularization of all-round competitions;
- increasing the level of sportsmanship;
- strengthening friendship between countries.

**2. Time and place of the competition.**

The Open online world championship will be held from December 04 to December 06, 2020 by viewing and analyzing video materials with the performances of participants sent before December 03, 2020 and posted on a specific Internet resource.

**3. Management of the competition.**

Overall management of the preparation and running of the competition is carried out by the Public Association “International Organization of Military Sports All-around competitions”. The direct conduct of the competition is entrusted to the main panel of judges of the Public Association “International Organization of Military Sports All-around competitions”

**4. Participants of the competition.**

Teams of countries are allowed to participate in the competitions if their athletes, as amateurs, have the appropriate level of training, who timely submitted an application of the established form and provided the appropriate video materials. Personal competitions are held in accordance with the rules of competitions in military sports all-around competitions approved by the Public Union "International Organization of Military Sports All-around competitions."

The uniform of the competitors must conform to the presented martial art style and should not interfere with the exercises and assessments of the athlete's movements.

The number of participants should not exceed three athletes in the same category and version from the participating team.

The age groups of participants are determined by the number of full years on the first day of the competition in this way:

- 1) children of the I age group - 6 - 7 years old;
- 2) children of the II age group - 8 - 9 years old;
- 3) younger boys, girls - 10 - 11 years old;
- 4) boys and girls - 12 to 13 years old;
- 5) older boys and girls - 14-15 years old;
- 6) juniors, juniors - 16 - 17 years old;
- 7) adults - 18 - 39 years old;
- 8) veterans - from 40 years old

### **5. Nature of the competition**

Personal competitions are held from the "combat martial" section according to versions B-5, B-6 in accordance with the Competitions Rules of the International Organization of Military Sports All-around competitions, taking into account certain features of refereeing online:

- evaluation of the performances of the participants by the side judges is carried out independently from each other, the draw is not carried out, and the procedure for viewing video materials with the performances of the participants is arbitrary;
- scores are not shown by the side judges using scoreboards, but are immediately recorded by them in the competition protocol;
- scoring is carried out not by the section secretary, but by the arbiter;
- in case of equality of the sum of points of two or more athletes, the determination of places is carried out without repeated performance of the athletes by counting the sum of the points obtained with the addition of excluded lower marks. If even after that two or more athletes will have a total score that remains equal to the sum of the points of these athletes, their highest marks are excluded. If even after adding the highest marks the score for two or more athletes remains the same, the decision will be made by the judges by simple online voting with the double advantage of the referee's vote.

### **6. The program, conditions and timetable of the competition.**

Competition Program:

December 04, 2020 - registration and receipt of video materials;

December 05, 2020 - assessments of the participants of the competition;

December 06, 2020 - summarizing, considering protests and determining winners.

Competitions are held in the section "All-style competition" of the discipline "Combined martial" in the form of judges judging the performances of the participants in non-contact versions of B-5 (non-contact, demonstration of self-defense techniques), B-6 (non-contact, demonstration of formal technical complexes, "KATA") by viewing and analysis of video materials, which sent the day before and posted on a specific Internet resource.

### **7. Requirements for recording video files.**

All video files with the assignment must be removed in front, or at an angle of not more than 45 degrees and not large in size up to 10-20mb. Editing video is prohibited. The video should be without changing the sound, without overlays, cropping, acceleration and deceleration. The athlete must be seen fully throughout the demonstration. Video is carried out in the gym with a soft coating (tatami). Recommended camera height - at least 80 cm.

Before you begin, you need to bow, expressively and loudly name the surname, name, age, club name, country and version name. At the end of the performance, bow.

The file name must contain: Surname and Name of athletes, date, month, athlete's birthday, version.

Video files are sent by the team representative until 10 p.m. on 03 December 2020 to the email address: presidentmsac@gmail.com.

### **8. Terms of determining the championship and rewarding of winners and prize-winners.**

Competitors who took 1,2,3 places in each category of competitions are awarded with diplomas and medals of the corresponding degrees of the Public Union "International Organization of Military Sports All-around competitions".

Awarding will take place after summing up the results within a week via mail. Compensation for postal delivery of awards is at the expense of the recipient.

### **9. Competition financing conditions and material support for participants.**

All costs associated with the organization and conduct of competitions, except insurance, are carried out through cooperation of finances of organizations participating in competitions, organizers of competitions, extrabudgetary revenues.
